...and more

SLIM-UP™

INFRARED

ElectroSculpt

Three amazing benefits in a single session

The only technology in the world to combine electro-muscular stimulation (EMS) with Infrared Light Therapy

Burns fat: breaks down fat via lipolysis

Builds muscle: strengthen weak muscles anywhere on the body

Renews skin: increase collagen and elastin to restore radiance

LYMPHATIC

Pressotherapy

Gentle, rhythmic pressure to promote lymph fluid circulation and encourage waste disposal

Eliminate broken down fat & toxins Boost circulation

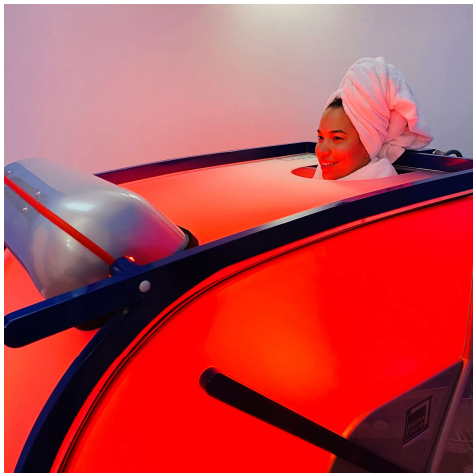

Reduce fluid retention

Enhance immune system

Infrared Steam

IMMERSION

Detoxify and eliminate metabolic waste with significant benefits for the skin & reduction of cellulite

Increase blood flow and circulation

Deep-cleanse and re-oxygenate skin

Loosen muscles, relieve stiff joints

Stimulate cellular function

Rapidly transform body & skin.

SLIM-UP™

INCREDIBLE
RESULTS

SLIM UP[®]

Touch-free smart technology

Relax in a private, spa-like setting

to experience highly-effective, pain-free treatments.

No risk of complications or side-effects

No uneven results

Zero pain, bruising, downtime

No risk of infection or complications

Never worry about fat cells returning in unwanted places

The Foggiare philosophy

WHOLE-BODY WELLNESS & BEAUTY

A pristine spa environment, expert technicians and pampering, effective treatments are the foundation of the Foggiare experience.

We don't believe in a *one-size-fits-all approach*. Rather, Foggiare delivers **highly personalized** programs to **achieve optimal results** for each client.
